**ADVENTURE ABROAD LIABILITY RELEASE**

**I have been advised by (Adventure Abroad) of the following matters in relation to my upcoming expedition with Adventure Abroad. I have been advised that, snorkeling/swimming, trekking, climbing and especially mountaineering are inherently dangerous activities. I may be killed, injured, incapacitated and experience pain, illness and suffering. I may experience loss, damage or theft of my property. Any of the above may not be Adventure Abroad's fault or the fault of anyone else. These incidents may be caused by others in my party, employees or directors of Adventure Abroad, their subcontractors, my guide or wildlife, environmental factors such as ice cliff collapse, avalanche, bad weather, loose rocks, unstable snow or even just physical exhaustion which can happen at any time on my Expedition. There is no way of predicting all the hazards I may face. While Adventure Abroad will take reasonable precautions to minimize the risks, there is now way Adventure Abroad can guarantee my safety on this expedition 100%. Often areas of operation are remote with little or no medical support. In some remote areas self-rescue is the only option. My guide may need to begin first aid appropriate to the remoteness of the area and the nature of my ailment.**

**While Adventure Abroad will take all the reasonable precautions to maintain my safety I understand that I am also responsible to act in a responsible and safe manner that will not endanger myself or the others in my party. By signing or ticking this document I certify that I have read and understood these risks and they are acceptable to me. I also agree not to seek compensation, financial or otherwise from any incident that might occur during or associated with your trip, from Adventure Abroad, it's directors, employees or subcontractors. I understand Adventure Abroad will not accept my participation on expedition if I do not have suitable or sufficient travel insurance to cover events such as illness, remote area evacuation, etc and I hereby state that I have taken out travel insurance to cover all of the above cover, bearing in the mind the remote area location to which this expedition is going. Adventure Abroad is not responsibly for any medical, hospital, rescue, evacuation, or associated transportation costs. We will, where possible assist you with any emergency logistics in the event of problems.**

**I do/do not authorize Adventure Abroad to use images obtained during the trek which depict myself and/or my children under the age of 18 for promotional purposes. (Please circle)**

**I HAVE READ, UNDERSTAND AND ACCEPT THE CANCELLATION/PAYMENT POLICY AND ABOVE LIABILITY RELEASE (please tick box to the left of this statement).**
